

Job Posting - Physiotherapist

Join a dynamic, multidisciplinary team that offers a unique experience to its patients and staff!

Bastien Physiotherapy Basics

- Collaborative, multidisciplinary environment offering Physiotherapy, Kinesiology, and Massage;
- Your own private treatment room and more time with your patients to offer your services at maximum quality;
- Full-time administrative support for all booking and billing responsibilities.
- Growing business with leadership opportunities for all team members!

Candidate requirements

- Registered and in good standing with the College of Physiotherapists of Ontario;
- Show desire to learn through continuing education and team development;
- Professional, focused on client care, and strong communication skills;
- Team player that will embrace their role in our fun and motivated team;
- Experienced Physios and New Grads welcome!

General Information

- Very flexible schedule and hours to accommodate your personal life and goals.
- Great opportunities to grow into a leadership role as the business grows.

Why work here?

- Not a rushed environment, lots of time with your patients (40-minute follow-ups).
 - Work with different health professionals with various expertises (Physiotherapists, Kinesiologists and Registered Massage Therapists).
 - Very competitive remuneration (both salary and commission-based available).
 - Excellent group health benefits plan available.
-

Join our team of health professionals and become a BIG part of our small community.
